Message from Director

It is my immense pleasure to present the Annual Report of CHETNA VIKAS for 2020-21. It gives us paramount contentment that CHETNA VIKAS has come a long way from being a marginal player to an established organization in development sector of Jharkhand, advocating for rights and entitlement of people living on the margin of the society. We are in thirty sixth year of community service.

Over the years, we employed rights-based, people-centered, grassroots and participatory methods: to eliminate socio-economic inequality; to promote health, nutrition and well-being; to facilitate self-reliance; to enable local self-governance; to ensure natural resource management; and to promote people's advocacy.

The COVID-19 crisis that has hit the whole of humanity is unprecedented in terms of scale, speed of spread and impact. Jharkhand, like the rest of the country, has also been severely hit by the Covid wave. The seriousness of COVID crisis triggered Chetna Vikas to come forward to contribute to mitigate the impact of vulnerable people. The organization also tried a bit to support people as a part of humanitarian response and fought against the pandemic as per the ability.

I would like to extend my sincere thanks to the Government of Jharkhand, NABARD, Child Resilience Alliance, Childline India Foundation, Sightsavers, QUEST ALLIANCE, SCHOOL, Jiv Daya Foundation, District administrations, DSWOs, Health department of Deoghar, Dumka, Sahibganj, Giridih, Jamtara & Dhanbad districts of Jharkhand for their regular support.

I look forward to another year working towards holistic development of women and children, develop entrepreneurial skills for youth, self-employment, enable local self-governance and active participation of all stakeholders.

Inclusive Education

Inclusive education gives a space to all the children irrespective of their abilities and disabilities in the same platform. And with the support of Sightsavers in Deoghar & Dumka districts of Jharkhand Chetna Vikas has successfully implemented “Jharkhand Inclusive Education Program”.

Overall goal of the program was to enroll visually impaired children in between the age of 6 to 14 years in their local government sponsored or other any school.

This program has helped the children not only to adopt to class room environment but also supported the teachers while imparting skills through training session on specific techniques for dealing with the visually impaired children, usage of teaching learning materials.

The program has reached out to all the stakeholders including school management committees, various stakeholders at block and district level. It has been able to initiate a dialogue around 'inclusive education' and the sensitization amongst the stakeholders to emphasize on the 'inclusive education'.

Key Achievements in Inclusive Education

Activities	Male	Female
Total Visual Impaired Children in the Project	277	232
No. of SMC members Sensitization	190	158
No. of Resource/Regular Teacher Trained	178	51
No. of Children received Mobile Phone	26	24
No. of Children received Laptop	18	12
No. of Children received Daisy Player	5	5
No. of Children received Talking Watch	32	12
No. of Children received Braille Kit	72	38
No. of PWD received Smart Cane	17	8
No. of children received ICT based Skill Training	49	44

361 visually impaired children (100 blind & 261 low and severe low vision) of age group 6-14 years' from Dumka and 148 CVIs (73TB & 75 LV) children from Deoghar were covered under this program

Improving the Life of Adolescent girls in Jharkhand (Anandshala)

Chetna Vikas with support of QUEST ALLIANCE implemented ANANDSHALA program to empower at risk and already married, girls in particular, with life skills, education, providing alternative to child marriage and mitigate the impact on married girls through enhancing access to education, opportunities and improve retention in school for girls through improving school safety, preventing drop out and removal of financial barriers.

CRP Workshop

Activity in youth club

PTM

Bal Sansad meeting with the members

Goal and Strategy of 'Anandshala'

- ◆ Creating an enabling environment of school in order to ensure attendance as well as active participation in school activities.
- ◆ Making teachers more accountable to their role and responsibilities armed with the knowledge, skills and attitudes to foster a student-friendly environment and bring in positive teacher-student relationships in schools.
- ◆ Providing Platform for teachers and schools to share good practices, and encourage wide scale adoption of those good practices through ASRP (Anandshala Shiksha Ratna Puraskar).
- ◆ Advocacy for connecting different stakeholders from the school level to the district level, built around the idea of joyful learning environments.

COVID 19 and Anandshala Program

1. Virtual workshop with HMs and CRPs, School facilitators, BEEOs on use of technology and also virtually engaged the Girl Champions through trainings.
2. Engaging students in 'GharGhar Pathshala' to enable them in attending the online classes in DIGISAATH, facilitated by Anandshala Warriors.

Achievements of Anandshala

1. 70 Bal Sansad has been strengthened which is playing a vital role in organizing morning assembly, conducting last class activities.
2. 3551 focused children in 70 schools of Deoghar were identified under Early warning system and addressed accordingly to increase attendance rate.
3. 231 Open House were conducted and was able to turn up around 6500 parents.

Social Inclusion Program

Jharkhand Social Inclusion Program (JSIP), an initiative of Sightsavers in collaboration with Jharkhand State Livelihood Promotion Society (JSLPS) in Dumka & Jamtara districts has been implemented by Chetna Vikas. This program was intended to promote rights-based approach of mainstreaming disability through exploring their livelihood opportunities, promoting institutions at different level and creating an enabling environment for barrier free access to their rights and entitlements. The present programme has shown the positive impact on the community where persons with disabilities are valued and living with dignity. The programme has able to pave the path to improve the rights, respect, dignity and individual autonomy of persons with disability at large extent. The economic condition of persons with disability directly supported under the programme has been increasing. The leadership quality among the DPO (Disabled people's organisation) leaders has markedly improved and their advocacy resulted into the action.

Vocational Training on Agarbatti Making & Mushroom cultivation

1. 10 days vocational training on Agarbatti making to 35 PWDs
2. Mushroom cultivation Training to 35 PWDs
3. 48 trained PWDs were provided financial support by financial institutions to start their own business.

Child Protection

In collaboration with Columbia Group for Children and 3 more civil society organisations Chetna Vikas is implementing Inter Agency Action Research to strengthen community-based child protection system in Topchanchi block of Dhanbad district.

Following a bottom-up approach this project has developed child welfare agencies not only for providing relevant and individualized services in the community, but also influencing the relevant authorities and department at district and state. Under these process communities frequently plan and act on their own. Chetna Vikas have roles as facilitator who help communities engage in constructive, inclusive dialogue and problem solving but do not “lead the community” to a predefined endpoint such as child rights.

2 days' reflection workshop was organized for the Facilitators, Community mobilizers and community leaders. The agenda of the workshop was to have update from the Community leaders in last few months especially in COVID19 & lockdown period and future planning.

3 days' Workshop on Video Documentation was organized for 34 Participants including facilitators, community mobilizers, community leaders & project staffs.

1day Panchayat level workshop on child protection at Topchanchi block.

- Sharing of learnings and experiences of community led process.
- Role of representatives of Panchayati Raj Institution in the said process so far.
- Role and responsibilities of VLCP and BLCP in child protection.

Awareness drive during first wave of COVID-19

- The campaign continued for 5 days in the intervention villages and two more villages from Pawapur panchayat.
- Miking through vehicle tolas for awareness campaign, interested people from respective tolas took the responsibility of the announcement in their tola.

Messages delivered during awareness campaign :

- People should always make use of face cover or face mask.
- To avoid crowded places unless it is very necessary.
- Maintain social distancing when moving out of house.
- Frequently wash hands with soap and make use of sanitizer.

Supporting Child Protection Program of CHLDLINE

SHG Awareness Programme

The discussion includes spreading the information of CHLDLINE number 1098 and how it functions and on village level child protection committees (VLCP) and what are the possibilities of extending help for the greater cause of child protection by VLCP at the village level.

Kishori Awareness programme

Kishori Awareness programme were organized in 2 with 16 village children to sensitize them on the basic concept of child protection and to support them to become their own advocates for child rights entitlements.

Hand wash program

17 Hand wash program was conducted in intervention area during the reporting period in which participants were shared with guideline on COVID 19 and were advised for frequent hand was with soap total 201 participants were oriented during the event.

- 57 Children were provided protection, medical help with shelter.
- 68 Vulnerable children and families tracked and identified with the help of VLCP members.
- 24 social awareness programs were organized in school with 719 children as a part of grass root level outreach to sensitize them on basic concept of child protection.
- 103 Anganwadi workers were made aware about CHLDLINE and also about child Protection.
- 328 PRI members and other stakeholders participated in community meetings.

Women Empowerment... Developing Self esteem of Women

Employed women as natural leader to enhance their sense of self worth, ability to secure change and rights to control their life by orienting them on different issues. This brought decisive change in their life as it gave them self-confidence and motivation to pursue their dreams, creating enabling environment with community involvement.

They are not only spreading key messages against child marriage, sexual and reproductive health rights, and child protection issues but also creating enabling environment by involving community for collective action against child marriage, gender-based discrimination.

Providing financial freedom to women: Linked women with self help group. Provided vocational training on (Mushroom production, Agarbatti making, Goat rearing, Papad making and tailoring) Later they were provided hand holding support in loan from financial institutions and marketing of their products.

CASE STUDY

I aspire to continue my higher studies with Braille", Said Amod.

Amod Manjhi is 18 years and visually impaired by birth, resident of Bishanpur village of Jarmundi block of Dumka. He appeared in Matric Examination in the year 2020 and Passed (Second division). With the support and encouragement of JIEP team the family also stepped forward and supported him to move ahead. He was trained on mobility and thus with the team support his father got his Disability Certificate, disability Pension done. He attended ICT based skill Training and a Braille Kit and one Tab also provided to him for better learning and reading his class Books. JIEP team also supported to arrange one Scribe for the examination from his school. He has decided to admit himself in college for Higher Education this Year.

Jayma kali Ajivika Viklang Mandalin' is a SHG group formed by 7 PWDs. Earlier they had no information about govt. facilities and benefits available. After few awareness and sensitization program they started saving a minimum amount regularly. And eventually with the support of JIEP team they had opened a bank account in the local bank. And that was the start, since then they have not stopped themselves. Now whenever any of the group member is interested to go for a livelihood option can take loan form the group and help each other to grow.

Raban is an example, who has locomotor disability. He took financial support from the group and managed to establish a cycle repairing shop through which he is able to earn 200-250 per day. Thus, they are not only challenging their limitations and pushing boundaries but also supporting each other to grow.

Light reflects light

Arti 18, resident of Razdah village under Madhupur block has made efforts for the empowerment of teenagers on the strength of her passion and courage. Earlier Arti had to leave her studies after class XI in the year 2018 due to the poor financial condition of the house and the apathy of the parents. With her talent and perseverance, Arti completed three months' training on carpet weaving and then started doing carpet weaving work in the village itself and started supporting in the daily expenses of the house.

She Joined Anandshala Program as girl champion. Arti says Anandshala program proved a turning point in her life. It gave her new knowledge and boosted my confidence. I am now able to express my words without any hesitation." In February 20, Arti represented Jharkhand in the program Dasara Philanthropy week, in Mumbai. She says, I was asked to share about myself and my experiences. I shared every issue related to the teenager in front of the people present in the auditorium. People liked my words, probably because people were clapping after listening to me. I really felt that a dream come true.

Ray of Hope

Sarita Hembrom, a 21 year old girl from Pawapur village started a new effort to provide pre-school education to children of 2 – 6 years age during the lockdown due to CORONA pandemic with the consent the her parents. She is a second year student of Vistapith College Bokaro, pursuing graduation. According to Sarita, since lockdown she observed that the children of her community became totally distracted from their education, as the anganwadi were closed; so she consulted with the parents of children of her community and decided to start providing pre-school education to the anganwadi going children. For this, all of them contributed some meager amounts as per their abilities to buy slate and chalks for the children. At present there are 15 children registered for pre-school non-formal education. Since then she teaches the children every day in the morning for an hour. She aspires to start a mini anganwadi in her tola in future in order to ensure that all the children of her community be able to access the anganwadi facilities.

Health Improvement

To improve the routine immunization Chetna Vikas has implemented a project with the support from UNICEF and school for development and impact in 3 tribal blocks of Giridih district.

The project has helped to reach out to the most hard to reach areas of the tribal blocks and supported to inform district and block level officials about the gaps in immunization services and advocate for availability of quality outreach services using strategies identified in state tribal immunization strategy for improving childhood immunization.

While touching upon the institutional capacity building of PRI representatives to improve their understanding of RI and participation to advocate with government to ensure equitable availability, access of immunization services for eligible pregnant women, and children and generate demand for immunization services this project is also able to strengthen the monitoring mechanism & review platforms for assessing immunization coverage, challenges and actions that should be taken to improve immunization coverage among children in tribal and hard to reach area.

Implementation highlights

- Rapid Assessment exercise – 54 VHSND sessions, 348 PRI members.
- PRI orientation on their roles in RI and COVID19 – 69 Panchayats and 1355 participants.
- VHSNC orientation on their roles and COVID19 – 482 Villages and 5544 participants.
- Quarterly Review Meetings at Panchayat level – 138 Review meetings in 69 Panchayats.
- Supportive Supervision of VHSND sessions with PRI members – 162 VHSND sessions, where as in 73 sessions (45%) PRI members participated.
- Orientation of ANM, AWW, Sahiya – 72 ANMs, 522 AWWs, 692 Sahiyas.
- Facilitating BLTF meetings – 14 BLTF meetings.

Humanitarian response during COVID 19

The COVID-19 crisis that has hit the whole of humanity is unprecedented in terms of scale, speed of spread and impact. While the primary consequences are on people's health and lives, the secondary effects are likely to be deep and wide-ranging, with severe disruption in livelihoods and jobs, education along with its cascading social implications.

The seriousness of COVID crisis triggered Chetna Vikas to come forward to contribute efforts in order to mitigate the impact of vulnerable people. As a humanitarian response Chetna Vikas with support of JIV DAYA Foundation and CHILD FUND, distributed dry ration among the most deprived and vulnerable 703 families identified in 4 districts of

Santhal pargana region, namely Dumka, Deoghar, Sahibganj and Jamtara. The purpose of the distribution of dry ration was to create a scope of food security for these families in the period of lockdown in Pandemic.

Distribution of Personal Protection Equipment (PPE) Kit to field workers of Nagar Nigam

Chetna Vikas with support of Gram Jyoti, Usha group of Institute, Baba Bailiyase and Dr. Chetna Bharti has distributed 360 PPE kit among corona warriors of Deoghar nagar nigan in coordination with district administration. Safety kits includes, Soap, Hand gloves, Mask and Hand sanitizer. District vice Mayor, Nitu Devi, Rita Chaurasia, Ajay pandit of nagar nigam and others were distinguished guest were present on the occasion.

Awareness Drive against COVID -19

Chetna Vikas is campaigning, to aware community against COVID 19 since the outbreak of COVID pandemic. Project staffs along with community are in consistent effort to make them aware on social distancing, frequent hand wash, symptoms of COVID and steps that should be taken in case of any symptoms.

Online Education to 119 visually impaired children

To provide quality education to visually impaired children during these critical times was the primary goal of this initiative. The focus was on child centric approach to education for helping them in their core curriculum. We aimed to reach out maximum number of CWVI who have been provided with ICT devices by Sightsavers, we had started online class in Dumka, Hazaribag, Deoghar and Jamtara district CVIs Children's during the period.

Distribution of Food items among members of Leprosy shelter home

In wake of COVID19, the famous Lord shiva temple has been closed to prevent the spread. The number of leprosy infected persons who used to beg at door was facing acute hunger problem. There are about 68 such diseased person in Kusht ashram. District administration was providin cooked food to them. Chetna Vikas with Support of Dr. Chetna Bharti, and Sri Rakesh Narone distributed dry food items among such persons on 18th may 2020. About 150 Kg rice, 100 Kg flour, 30 Kg Potatos, 30 Kg arhar pulse and 150

Mask were distributed among needy persons.

Appreciation from DC Deoghar

Mrs. Nancy Sahay, District commissioner cum magistrate recognized the work of Chetna Vikas and appreciated for humanitarian response during first wave of COVID 19.
