

Bi-Annual NEWSLETTER

Steps towards the Change....

ISSUE - 01 OCT,2022- MARCH, 2023

OPINION

Great work has been done by Chetna Vikas in last 35 years. The efforts devoted for all around development of the community by the organization is admirable and the impact is not only visible but also sustained. I wish all the best to Chetna Vikas to continue with same zeal.

Mrs Mamta Kumari,

Member, National Commission for Women.

IN THIS EDITION

District level consultation meeting, Deoghar

Health & Sanitation Campaign

Women's Day Celebration

Students Rally on Save The Girl Child Day

District level consultation program, Dhanbad

Candle March for Child Marriage Free India

DIRECTOR SPEAKS

Dear Reader,
A Warm Greetings!

We are pleased to share the milestone achieved during the last six months in the form of Bi-annual Newsletter. In this we narrated the organization's journey filled with tremendous zeal and delight.

Chetna Vikas is founded to empower the poor, disabled and disenfranchised in rural regions of Jharkhand State to achieve the Gandhian principle of 'Sarvodaya' (universal upliftment). we employ right based, people centered, grass root and participatory methods to eliminate socio economic inequality, promote health, nutrition and well-being. We Facilitate self-reliance, enable local self-governance, ensure national resources management and promote people's Advocacy. During the last year, our focus continues to be on keeping our children safe, healthy & happy; This has included ensuring children's protection, health, sanitation, nutrition, rights and their overall development. During this time, we also worked to rebuild the organisation in order to show that it has been successful in connecting with the communities marginalised groups.

The support that we extend to each and every adolescents & their family, wouldn't have been possible without our donors & benefactors. A special mention must be made of our teams on ground who collaborated diligently. Chetna Vikas will maintain the high quality of its deliverables in order to steps towards the change....

Inter village Community Meeting

Participatory Planning & Community Monitoring

Block Level Consultation Meeting

Celebration of Nutrition Week

District level Advocacy Meeting

Street Play by Adolescents

Community-led approaches to child protection are those that are driven by the community itself, such as the adage that 'If it doesn't come from the community, it isn't a community-led approach'. The community selects harms to children and decides how to address them, reflecting the vision, values, concerns, and judgment of the community members. The issues are then rallying cries that support community ownership and mobilization. This program was started at Topchanchi block of Dhanbad District on 2016 with the objectives of to enable community action to address one key harm that affects majority children.

The initiatives done by Chetna Vikas during this period – Capacity building program of New Natural leader on CLCP, Participatory Planning and Community Monitoring for Child Protection cum report cards, Celebration of Nutrition week and Health check-up Camp, Panchayat Level Demonstration, Block level Consultation Meeting and District Level Advocacy Meeting.

CHILD DEVELOPMENT

Training of group leaders on SRHR

VLPCPC Members Conducting Meeting

Sexual and Reproductive Health Awareness Day

Project Staff giving training on LSE

KISHLAY is a project aims to uproot Child Marriage in Madhupur block and Saraiyhat block of Deoghar and Dumka District in Jharkhand, by formation and strengthening of Adolescent groups, increasing access to education, economic opportunities, child protection systems, and influencing legal and policy frameworks. It seeks to provide alternatives to child marriage through mitigate it's negative impact by changing social norms, challenging harmful customs, traditions, norms and practices. It also increases access to quality education and youth-friendly SRHR services for unmarried and married young people.

Rally for Child Marriage free India

Candle March for Child Marriage Free India

State	: Jharkhand
District	: Deoghar
Intervention area:	6 Blocks
Case Intervented	: 69
Legal Support	: 69
Mental & Physical Support	: 69

Chetna Vikas is collaborating with KSCF on child protection in order to promote the complete development of children. In this program, we provide counselling sessions, mental support and give paralegal support to children under the POCSO Act and hold awareness sessions on a regular basis. In addition to the support that was given over the past six months, the program's initiatives during that time included the Child Marriage Free India Campaign and victim support on daily basis.

MODEL CREATION

Organizational Development Program is about accountability to the link between Organizational work and organizational success by looking at how the organizational development activities will bring change in the staff's mentality and work efficiency. It will help to achieve missions to make a positive difference in the communities, strengthen our capacity to raise funds for the work, and increase our level of program work and impact. The vision and core set of values are essential for an organization's effectiveness, as they provide a shared understanding of and commitment to the vision, values and mission.

To strengthen the organization so that it demonstrated effectiveness in dealing with the marginalized groups of the community, we organized Day special Programs on Save the Girl Child Day & Women's Day and capacity building of senior staff on Video story telling for sharing impact.

Women's Day Celebration

Video Story Telling Workshop

Save The Girl Child Day Celebration

HEALTH & SANITATION

Despite numerous attempts by the government and NGOs to intervene by offering hygiene kits and awareness programs, unhygienic and insufficient hand washing practices are still persists. Being a grassroots organization and being aware of the aforementioned needs, we ran the 'Achhi Aadat Campaign' in Deoghar & Madhupur blocks of Deoghar district and Topchanchi, Bagmara & Purvi Tundi blocks of the Dhanbad District. As the campaign approaches, we do the activities like – Technical cum educational sessions in schools, rally with school children in village, school level painting competition, village level awareness program, demonstration of hand washing in public places, street play & public address system, wall writing and pamphlet distribution.

NUTRITION

Providing Nutrition Kit, Dresses & Shoes to PVTG community under Nutrition Project

Demonstration of SATO tap for water conservation during Hand washing

Technical cum educational sessions in schools

Oath for Good Hygiene habits

OUR IMPACT

I've begun to see life from an entirely new perspective ever since I became affiliated with CHETNA VIKAS. Every day I go to the organization's Tanya Computer Centre to learn computers. There, yoga and the arts of personality-development are also taught.

Kiran Kumari, VI-Abadnagar, Jama, Dumka

I found the Achhi Aadat campaign that is implemented by CHETNA VIKAS, to be a very effective campaign. It is a very good effort to tell the importance of washing hands in the village market and shops, as well as is a need for such programs continuously.

(Pran Prasad Mahto, PRI Member (Upmukhiya), Tantri Panchayat)

15 Years Old Girl had been brutally gang raped and murdered by three men. The support person overseeing the case offered all possible forms of assistance and made sure that hearings and testimony were taken. Through routine follow-up and attendance at all hearings that took place throughout the case, the support person assisted the survivor's family in healing from the trauma.

The survivor's family fought for justice and received it when all three of the defendants were given death sentences with the help of the support person.
